The undersigned permit holder of the dock structure which is the subject of this application hereby agree that neither the Iowa Department of Natural Resources nor the State of Iowa or any political subdivision will be responsible for any injury to persons or damage to property arising out of or incident to the construction, use, or storage of such dock structure. The undersigned permit holder of the structure hereby agrees to indemnify and save the Iowa Department of Natural Resources and the State of Iowa or political subdivision harmless from any and all claims for any such injury or damage. Excepting claims for injury or damage arising from activities of the Department of Natural Resources or the State or political subdivision in the use of said structure which are being conducted exclusively for the benefit of the Department of Natural Resources, the State or political subdivision.

I have read the General Rules for Dock Construction and agree to meet those requirements that are applicable to the described situation.

### INSTRUCTIONS

Please recheck the application to make sure that all of the required information is provided and permit fee is enclosed. Mail or deliver the application to the dock management area local authority in charge of the area where the dock is to be constructed.

- The Department of Natural Resources requires proof of a \$1,000,000.00 liability insurance policy on each dock (attach a copy to the application). The Department strongly recommends that you warn your guests by signs or other means, of any hazardous situations that may exist as a result of the construction or use of your dock.
- Please be sure to check with the local dock management area representative regarding any dock configuration restrictions that may exist for your area.
- Please keep the dock permit available in a safe place as you must provide it upon request, to any park ranger/conservation officer or any person you may hire to place your dock in the water.
- **Dock rights or privileges shall not be transferable.**
- No structure or inflatable device except a boat hoist may be placed adjacent to any portion of a dock. The hoist may not be placed next to any portion of the dock greater than six feet in width.
- A copy of this application with appropriate approvals will be made and returned to you and shall constitute your dock permit.
